

We Keep You Cooking!™

POSITION DESCRIPTION

POSITION: Field Technician / Project Intern

DEPARTMENT: Operations

DATE: December, 2018

Position Summary:

Kitchens To Go built by Carlin, a rapidly expanding international business, is seeking a Field Technician to join our team. Kitchens To Go designs, sells and leases commercial kitchen facilities throughout the USA and, to date, 28 international locations.

KTG's client list includes businesses and organizations from Education to Hospitality, Corrections to Healthcare, and Military to Senior Living such as Starbucks, Yum Brands, United Airlines, Apple and all branches of the Armed Forces.

This is an exciting learning opportunity to assist in installing and dismantling mobile, modular and containerized commercial kitchen projects as a solution for our clients.

Essential Functions:

- Perform physical labor to assist Project Manager and Field Superintendent with onsite project installations and dismantles.
- Follow directions and perform tasks as directed by the Project manager and Field Superintendent.
- Work well with and cooperate under the direction and supervision of Project Manager and Field Superintendent.
- Follow OSHA guidelines for safe work practices and abide by all site-specific safety guidelines.
- Other tasks as assigned.
- Responsibilities require an adjusted work schedule and evening/weekend hours as well as overnight travel.

Knowledge, Skills, and Abilities:

- Basic knowledge of construction industry and mechanical, electrical & plumbing coordination.
- Experience with hand tools, power tools and basic knowledge of simple construction practices.
- Ability to be resourceful in a fast-paced environment and meet deadlines associated with achieving the expectations of the position.
- Ability to organize and manage time effectively & efficiently.
- Excellent listening & communication skills.
- Ability to work collaboratively in a team setting.
- Willingness to learn while on the job and retain knowledge for future projects.
- Education/Experience—High School Diploma or equivalent.
- Ability to use computer and mobile devices including experience with Excel and Google.

- Must have a Valid driver's license.
- Ability to travel 75% of the time.
- Attendance and punctuality are a must.
- Active understanding of and participation in supporting the company's vision, mission, goals and values. Ability to support these ideals during all interactions with co-workers, clients, vendors and community liaisons.

Environmental Conditions:

- May move (walk or drive) from one work location to another.
- Frequently work at a fast pace with unscheduled interruptions.
- Outdoors with exposure to noise, heat, and cold.

Physical Demands:

- Ability to walk, sit, stand, & climb stairs & ladders.
- Ability to work extended hours on feet with lifting of up to 50 - 75 lbs.
- Ability to drive a vehicle.
- Ability to safely use hand & power tools.

Compensation:

- Pay is based on experience.
- Health benefits the first of the month following sixty (60) days of continuous employment.
- 401K option is available after sixty (60) days of continuous employment.

Changes: This job description will be updated if duties and responsibilities change significantly. Job functions are subject to modification based on business necessity.

ADA/FEHA: The Company will make reasonable accommodations in compliance with the Americans with Disabilities Act of 1990 and California's Fair Employment and Housing Act.

EEO: The Company is an equal employment opportunity employer.
